

## PLATINUM GLOSS

### GCLS.PG.HC190

ILFOGUARD Platinum Gloss HC190 is a 190µm optical clear polyester with a hard-coated surface laminating film. The hard-coated surface is scratch resistant. The pressure sensitive adhesive is clear solvent base acrylic, pH-neutral, giving the additional benefit of avoiding discoloration of the print or inkjet media. Suitable for short to medium term indoor and outdoor applications. The brilliant glossy surface gives an impressive finish to the print.

#### FEATURES

- 190µm optical clear polyester
- Superior scratch resistance
- Outstanding lay flat performance
- One-side coated adhesive, clear solvent base acrylic, pH-neutral, age resistant
- The adhesive provides excellent adhesion to printed media
- 38µm polyester release film

#### PHYSICAL PROPERTIES

Carrier	Transparent polyester film, 190µm
Total Thickness	220 µm
Surface	Glossy
Adhesive	Solvent base acrylic, permanent
Liner	Transparent polyester film, 38µm
Peel adhesion	N/A

#### ENVIRONMENTAL CONDITIONS

Operating	15°-50°C
Storage	18°-25°C (50-60% rH non condensing)

#### AVAILABLE SIZES

127 cm x 30 m

#### ADDITIONAL INFORMATION

The estimated durability is based on accelerated ageing tests and refers to a vertical exposure under middle European climates. The durability of the product depends on the substrate's preparation, the atmospheric conditions and the environmental influence. Exposure to extreme condition (tropical climate, desert climate, high humidity, high UV-light exposure or polluted areas) may cause rapid deterioration.

Please include always the batch number to questions about the product or complaints.
